Bring books to life for kids this holiday by buying a book and coordinating toy gift set. Two good and unique choices – the [Nana Star](#) doll and book and **Emily Goes Wild** [monkey](#) and [book](#). *Nana Star* tells the story of a girl on a mission to care for a fallen star until she can return him home. *Emily Goes Wild* tells the story of a fashionable monkey that goes to live in a zoo. Both books are beautifully illustrated.
