Nana Star books and poseable doll

Nana Star is a beautifully illustrated book for kids ages 3+. Madelyn, 2 years old, loves to read this book at bedtime and *must* have her Nana Star doll with her when we read the book. I'm sorry to say that there have been times when I couldn't read the book because Nana Star was enjoying a 'hiding spot' somewhere else in the house and didn't want to come out. *Anyway..*

Nana Star comes with a CD containing an enchanting audio version of the story and the sing-a-long Nana Star Song. The CD is great for long car rides. It doesn't seem to get old no matter how many times it loops during a trip.

The poseable Nana Star doll is intricately crafted and comes with her own baby star to take care of. Nana Star is not too tiny and not too big. Just right for snuggling with and taking in the car.

Cost: Prices vary depending on book or doll purchased.
